Field Trip Rules and Expectations

In order to maintain a safe learning environment for all students, the following procedures are expected from all students, LCUSD staff and chaperones on overnight field trips.

1. All field trips must begin at the school site. All LCUSD staff, students and chaperones shall be transported as a group using the same mode of transportation. All LCUSD staff, students and chaperones may be checked/searched for illegal, unauthorized or controlled substances prior to participating in the activity (including but not limited to a potential canine search). Security and/or administrative designees or authorized agencies contracted with LCUSD may conduct searches on any person and/or their property in order to participate in the activity/trip. Any person who refuses to comply to a check/search will not participate in the activity/trip.
2. Students will not use alcohol and/or illegal drugs and tobacco products at any time during the trip. When directly supervising students, LCUSD staff and chaperones shall model consistent behaviors.
3. If students require prescription and/or over the counter medications during the trip, parents/guardians must register this information with the school health clerk at least one (1) week prior to trip departure. This includes the the appropriate district paperwork, signed by the prescribing physician with specific information regarding time of day, how much, etc. The certificated staff member will be given a list of students within the group with copies of the district form which includes clear instructions and the LCUSD staff member will be in charge of and will keep all prescription medications with them. Prescription medications MUST be held by the LCUSD staff member for the entire trip. At the conclusion of the trip, medications may be signed for and picked up from the Health Office at the school site or returned to parents by the staff member.
4. Students shall be under the supervision of a LCUSD certificated employee plus other approved chaperones at least 21 years of age.
5. The ratio of students to adults shall not exceed ten pupils per adult. Students shall be under direct supervision of chaperones. Chaperones will be assigned to specific student groups. If "free time" is delineated in the itinerary, students shall be accessible to their immediate chaperone via electronic communication.
6. Chaperones shall be scheduled to work shifts during the "Lights Out" portion of evening supervision, usually from 11:30 p.m.- 5:00 a.m. Room checks shall be conducted to make sure students are in their correct rooms at all times and to ensure appropriate conduct. Chaperones shall monitor rooms and hallways throughout the evening to ensure student safety.
7. Chaperones must stay in the same facility as students on all overnight field trips, and on the same floors when possible.
8. A detailed itinerary shall be pre-approved by district personnel and/or the LCUSD Governing Board and followed by all on the trip.
9. Student behavior contracts shall be signed by all students and parents/guardians.
10. Students who do not follow ALL field trip rules and expectations (behavior contract) may be sent home at the parent's/guardian's expense.
11. For trips where student pick-up takes place in a location other than the school site, an adult chaperone must remain at the pick-up location until all students have been released to parents or designated adult.
12. All other required field trip forms are in full force & effect. The above Field Trip Rules and Expectations are in addition to, but not limited to, the Off Campus Activity Permission Slip and Medical Authorization form.

I understand these rules and expectations and agree to abide by all rules set forth by the school, district, school staff and chaperones.
