CLASSROOM REQUIREMENTS

1. **Regular class attendance.** No more than 6 excused absences within a semester should occur. There is limited to no homework assigned in each class, therefore, daily participation is a major factor in grade evaluation. A student's grade may be lowered if more than 6 absences occur within a semester. The same consequence may also be in effect after 3 unexcused absences. Each tardy is counted as one half of an unexcused absence; therefore, a student's grade may be lowered after the sixth tardy within a semester. Habitual tardiness and absences may result to disciplinary action and ineligibility in performing and/or touring.

2. **Everyday participation.** Each student is expected to sing every day. If a student is ill and unable to participate by singing, he/she must sit in the designated area (usually in the front row) and follow along with the rehearsal. Working on outside homework during class time is not allowed, unless in rare situations (i.e. a non-singing day). A student who is ill and wishes not to sing, must inform the teacher **before** the beginning of class. A doctor's note is required by the third consecutive day of non-singing.

3. **Attendance at all scheduled performances and rehearsals are required.** An unexcused absence from a performance and/or scheduled rehearsal will result in a student's grade being lowered. An excused absence is an illness or a family emergency, and the director must be notified **before** the scheduled event. Work is not excused as long as a two-week notice is given by the teacher. In the event of a conflict with a planned family event, advanced notification to the teacher is mandatory. Exceptions may occur by the discretion of the teacher. Think of performances as examinations. Please make early arrangements for attending all dates outlined in your schedule.

Note: A student must be in school for all periods on the day of a performance to be eligible.

4. It is a privilege to be a member of any music ensemble. If a student fails to work at a professional level with the instructors and/or peers, that student will receive disciplinary action and may become ineligible to perform and/or travel with the ensemble.

ACADEMIC HONESTY

La Cañada High School and its Choral Music Department is committed to musical and academic integrity and strives to create an atmosphere conducive to learning, creativity, and achievement. Any academic work submitted, such as papers, quizzes, and/or examinations, is required to be from the sole authorship of the student. That is, students are to do their own work with their best effort and ability. Cheating will not be tolerated at La Cañada High School.

Students who cheat will receive a zero on the assignment and a “U” citizenship grade for the quarter. Further consequences of cheating violations will be determined based on the Academic Honesty Policy, which is listed in the 2018-2019 La Cañada High School Student Handbook.

A NOTE FROM DR. BROOKEY

As a member of the choir, you belong to one of the school’s most important and successful organizations. Not only are you respected in your own community, but throughout California (and beyond) as well. You will be called upon several times this year to represent La Cañada High School and 7/8 School by singing at public events. We are confident that, as a representative who is proud of his/her school and who wants the school to be proud of him/her, you will do your best to display the highest type of conduct and appearance. Any organization, in order to function well, requires teamwork. To operate as a team, each individual member must be loyal and willing to cooperate; he/she must think of the good of the choir and not just his/her own interests, and he/she must be willing to put forth his/her best effort at all times and work hard to achieve success for the team. We challenge each of you to be this kind of choir member.
