

Welcome La Cañada Choral Artists! Our team is excited to introduce to you the "Cantiamo" performance tour throughout Italy from Thursday, March 23rd to Friday, March 31, 2017. For more tour details, please refer to your tour brochure.

Inside Europe and Incantato Concert Tours proudly introduce our registration service. We appreciate your cooperation with this web-tool. The registration process should take no more than 25 minutes, but if you need to stop at any point, you will receive an email with a link to return to your registration form at a future time.

When registering we ask you to have the following information accessible:

- Traveler's passport or birth certificate as traveler information needs to appear on the registration and airline tickets exactly as it appears on your passport. If you do not have a passport, you can enter in the passport information on the registration at a later date. It is not necessary to have a passport to complete registration, however, it is necessary to have an up to date passport to travel.
- The tour brochure to select the package applicable to you. This can also be downloaded on the form in the upper right corner for your convenience.
- Credit card information

Upon completion of the registration form, you will receive an email with a summary of your information provided. This email will also include the link to your registration form so you can access it at any time. This allows you to make changes to your information, such as passport, credit card information, etc. at any time. This is one of the most beneficial aspects of this registration process. If for some reason you misplace the email with the link, our team will be able to access and re-send it so that you may complete or change your registration. We appreciate you taking the time to read through the registration in its entirety.

To complete your registration, you must enter your credit card information. All payments will run automatically through our database. Any traveler who registers after Thursday, September 1st will receive a \$150 tour surcharge. You will receive a charge on the dates for the amounts according to the payment schedule, which is included below. You will receive an email reminder prior to all payments, too. There will be a weekly late fee of \$25 if payments do not go through and an additional \$25 service fee if the credit card entered is denied. Please note that we do process payments through PayPal, so you can inform your credit card companies of dates and amounts that will be charged in advance.
