

## **LCHS Choral Parents Association Membership 2017-2018**

You are invited to become a member of the LCHS Choral Parents Association (CPA) and an active supporter of the LCHS choral music program by making a membership donation. Your donation will support our outstanding program, led by Dr. Jeff Brookey.

CPA's membership donation goal for 2017-2018 is \$35,000. Membership donations are vital to the program, which receives minimal funding from LCUSD. Funds are used for essentials such as sheet music, educational supplies, festival fees, scholarships, choir room upkeep and more.

Your contribution will ensure the program maintains its excellent standards and continues to enrich our student's experiences. As it costs more than \$100 per student to run the choral program, CPA encourages each family to donate at least \$100. See membership levels below.

**Membership is available on our Online Order Form. Membership donations are tax deductible to the extent allowed by law. CPA Taxpayer ID #95-4760303.**

### **Platinum Level Membership: \$1000**

Includes six adult tickets to the Fall, Holiday, Spring and Spring Pops concerts and choice of DVD or Digital Download recording for each of the three all-Choir concerts and the Spring Pops concert. Note: adult tickets may be used for students.
